**Letter of Conformance**

**Date: 27/02/2024**

Dear Sir,

We have performed the certification audit for the Quality Management System of your organization and verified the corrective actions proposed for the closure of the nonconformities as identified during the said certification audit. We are Pleased to communicate that the Quality Management System maintained by you against the scope "**Manufacture of Injection Moulded Plastic Components**" is found Compliant with the requirements of the standard IATF 16949:2016.

Never the less we are not in a position to issue a formal certificate due to the fact that the prerequisite of having 12 months automotive production data is not complied with. Whenever your organization achieves the 12 months automotive production data *OR* you are able to show that you are in the active bid list of a customer requiring IATF 16949:2016 certification IRQS will continue with the certification process according to the rules for achieving the IATF recognition which must be before the expiry date of this Letter of Conformance.

We would like to inform you that this letter of conformance is valid for a twelve months period with issue and expiry date as mentioned below.

Issue Date:	27 <sup>th</sup> February 2024
Expiry Date:	26 <sup>th</sup> February 2025
IRQS LOC No.:	240500254-LOC
IATF LOC No.:	0502769-LOC
IATF USI Code:	TLN54W

Incase IATF certification prerequisite is not met within the expiry date of this letter of conformance you are permitted for reapplying for one more such letter of conformance upon successful completion of audit requirement as per IATF certification body rules.

Best Regards
